

Getting started on Course 4

Congratulations on completing Course 3 of the [Google Project Management Certificate!](#) To make continuing with the program easy, here is a link to [Course 4: Project Execution: Running the Project.](#)

In this course you will learn how to put a project plan into **action**, including:

- How to track and measure project progress
- Continuous improvement and quality management techniques
- Using and analyzing data to inform your decision-making
- Tools for effective team management and communication

Keep up the great work!
