

Using a Kanban board

Categorization exercise

Update the Kanban board

Review each project update. T
with the update and move it to
Kanban board. Or, select **Mov**
column from the list.

You've categorized everything.

| To do | Doing | Blocked | Done |
|---|--|---|---|
| <div>Redesign delivery progress notifications</div> <div>Add plates and flatware to online menu</div> | <div>Order new uniforms for delivery drivers</div> | <div>Launch new food ordering app</div> <div>Add ice cream inventory to online menu</div> | <div>Create new registration email</div> <div>Create abandoned cart marketing email</div> <div>Roll out new delivery box design</div> |
