

## User stories and acceptance criteria

Multiple choice exercise

1

### Define the acceptance criteria

Now that you’ve created user stories, select acceptance criteria to help your team determine a Definition of Done.

#### User story

As a home cook, I want to find recipes for ingredients I already have so that I waste less food.

< BACK

1 of 3

NEXT >

#### Select the acceptance criteria

1. Filter recipes by ingredient

2. Access an article on 10 things to cook with an ingredient

1. Buy a compost bin

2. Access an article on food storage
