Project Title

Discussions

Give your project a descriptive title

Before submitting your elevator pitch, check it to make sure it meets the following criteria:

- The pitch has a clear and concise introduction (1-2 sentences). **(1 point)**
- The pitch includes an interest statement that clearly defines the desired company role (1-2 sentences). **(1 point)**
- The pitch addresses skills and work experience in a way that applies to the role (2-3 sentences). **(1 point)**
- The pitch ends with a specific question related to the job or asks the listener for next steps. **(1 point)**

The pitch stays within the 75-150 word limit. **(1 point)**

The elevator pitch may be submitted as a Google doc or a downloadable file (.doc, .docx, .pdf).

If submitting the elevator pitch as a Google doc, enter the URL below. You may also include an optional title or caption. **Please make sure to check the sharing settings to confirm your peers have "view" access. If your doc settings are not accessible to everyone, you may not receive a passing grade.** For more support on sharing settings, you can visit [this resource](#) .

<https://example.com>

If submitting the elevator pitch as a .doc, .docx, or .pdf file, upload your document below.

Note: To upload a file, you must also enter a value into the URL box above. Type “https://www.com” into the URL box to ensure your file uploads successfully.
